Fiscal Analysis

ASSUMPTIONS:

1. The amendments to this bill strike the language that would sentence those convicted of PFMA only to a state prison and allows imprisonment to occur in a county jail.
2. Because imprisonment can occur in a county jail, the proposed bill no longer has fiscal impact to the Department of Corrections but could have significant impact on county jails.

EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

This legislation could significantly impact county jail populations thus will increase the local jail costs.
